

VanGorder Insurance Services, Inc.
Medical Professional Liability Specialists
A Division of Shea Barclay Group

May 13, 2018

Dear Valued Client:

After twelve years of providing professional services to our clients it is with much consideration and excitement we announce we have joined forces with Shea Barclay Group.

We will continue to provide the services to you in the future as you've experienced in the past. I have enjoyed running the Agency and greatly appreciate the trust and friendship of our clients. I hope you know, my true passion is working with our clients. This merger will allow me more opportunity to do this, by eliminating the administrative functions of running the "day to day".

Shea Barclay Group (SBG) was founded in 1995 and headquartered in Tampa. Since inception SBG has specialized in Professional Liability. Their commitment to client service and relationships align with the commitment I have had for our clients my entire career. In addition, you will have access to insurance offerings we haven't offered in the past.

Thank you so much for allowing us to work with your organization over the years, as well as the years to come. I genuinely believe this transition will be beneficial for all of us. If you have any questions, please feel free to contact our office.

Sincerely,

Vicky VanGorder
